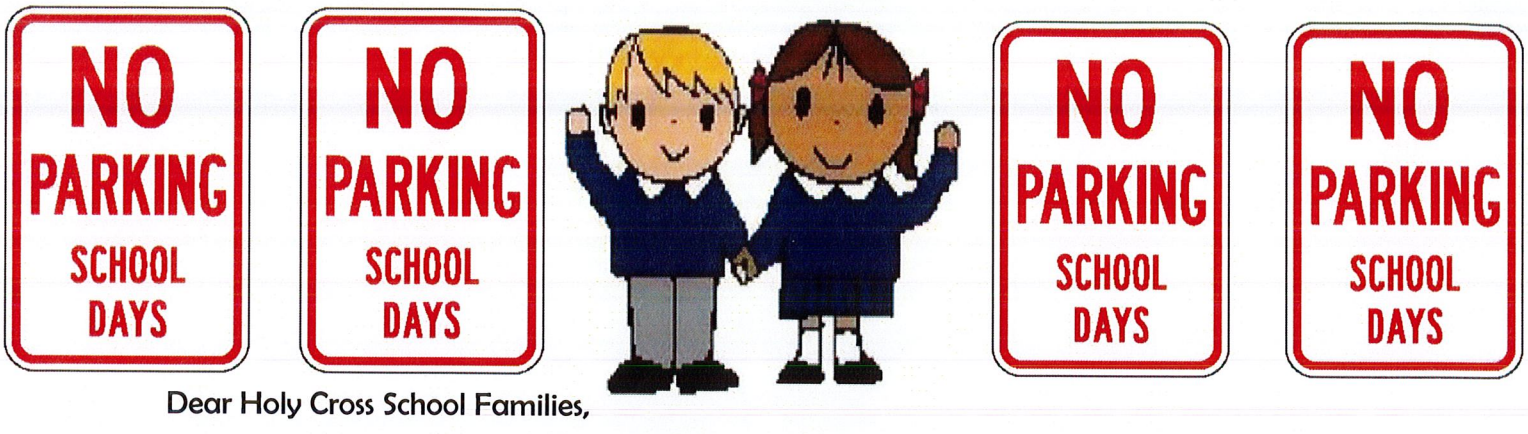
ALTHOUGH THE ROCHESTER CITY SCHOOL DISTRICT HAS A HALF DAY THIS COMING FRIDAY, MARCH 6TH—HOLY CROSS IS IN SESSION AND HAS A FULL DAY OF SCHOOL WITH OUR NORMAL DISMISSAL OF 2:35.



Dear Holy Cross School Families,

- All cars for student drop off and pick up in the main school building must park in the ***Church parking lot between the hours of 7:30am-3:00pm***. Please do not block the Priest's garage or park near the cones or pull in and out of the playground parking lot area at dismissal- this is dangerous and a disregard of school rules.

- We expect our students and our parents to ***follow the school rules!*** For the ***safety*** of the teachers, staff, ***students*** and families walking in the staff parking lot, as well as the ***Preschoolers*** who travel between the two buildings, we ask that you ***please be considerate*** and ***follow our school rules***.

- Pre-K families in the ECC building & the Parish House may also use on-street parking or the ECC parking lot near the playground. Thank you to all those who do consistently follow the proper procedures. ***Our Pre-K families in the main school should be using the Church parking lot at arrival and dismissal.***

- There is also a concern in the church parking lot. Please pull in to a parking space to drop your children off, rather than pulling up along the curb or in the driving lane. This is a safety issue for students walking and for Parishioners leaving Church. We also ask that you be courteous with one another, yielding the right of way.

- For students in Grades 1-6, when walking your children in to school, please give them a kiss and hug goodbye at the buzzer door and let them walk to their classrooms on their own. They are capable little people and we want to foster their independence.

- Tardiness- we have several students who are tardy almost daily. Please try to be on time, students miss important instructional time when they are late.

- There have been many fleece uniform violations. Only the Holy Cross Fleece or Vest is allowed to be worn during the day. North Face, AQ, McQ, BK, Mercy, HC Hoodies and other branded fleeces and sweatshirts are not part of our uniform and are not allowed to be worn during the school day. Ugg boots and other winter footwear are also not allowed to be worn during the day, only to and from school.

- Thank you for your support and understanding for the safety of our students.

Saint Patrick's Day, or the Feast of Saint Patrick (Irish: Lá Fhéile Pádraig, "the Day of the Festival of Patrick"), is a cultural and religious celebration held on the 17th of March, the traditional death date of Saint Patrick.

March 20 we can officially wave goodbye to the winter blues and welcome - warmly-the arrival of spring! It might still be cold, it might still be wet, but the evenings are lengthening by the rooster's step (as my Grandad would put it) and the eternal optimism of spring is in the air. It's in my step too :)

Family Lent Calendar 2020

= a day of fasting and abstinence from meat

= a day of abstinence from meat

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
February "Lent is the liturgical season of forty days which begins with Ash Wednesday and ends with the celebration of the Paschal Mystery (Easter Triduum). Lent is the primary penitential season in the Church's liturgical year, reflecting the forty days Jesus spent in the desert fasting and praying" (*Catechism of the Catholic Church*).			26 *Ash Wednesday* Take your family to an Ash Wednesday liturgy and wear the cross of ashes all day.	27 Discuss everyone's Lenten sacrifices and make sure they are reasonable, but challenging.	28 Pray an Our Father together. Ask God to bless your family this Lent and help you grow in holiness.	29 As a family, vote on a charity (or two) to which you want to donate this year.
1 March Adopt a Lenten saint to be your family's patron. Learn about him or her and see how you can imitate him or her.	2 Place a crucifix or picture of Jesus in a central place to keep the focus on him.	3 Greet everyone you meet today with a smile, no matter how you're feeling.	4 Tonight, have everyone name two things for which they're thankful and one intention for which they want prayers.	5 Peace starts at home. Resolve to only say positive, kind things today.	6 Set out an empty jar. Put in a jellybean whenever a child does a good deed or makes a sacrifice. Enjoy at Easter.	7 Make up a box for a needy family or homeless shelter. Put canned goods, clothing, toiletries, and gently used toys in it.
8 After Mass today, explain the Gospel and the homily in terms children can understand.	9 *Spiritual Bouquet* Have each person choose a prayer to offer daily for your parish priest(s). Send him a card with everyone's promises.	10 Do something kind for someone else today, with a humble and gracious heart. Remember it is Christ you're helping.	11 Talk about what you would say to Jesus if he came to your house to visit.	12 Ask the parish office to see how your family can help.	13 Enjoy pretzels, a traditional Lenten food. Originally, their shape evoked arms folded in prayer.	14 Encourage everyone to perform an extra chore around the house.
15 Light a candle in church today for someone who passed away or who needs special help.	16 Practice patience with each other. When it gets difficult, recall how patient God is with us.	17 *St. Patrick's Day* In St. Patrick's honor, light a candle and pray for missionaries in foreign lands.	18 Take stock of how your Lenten sacrifices are going, and refresh your commitment to them.	19 *St. Joseph's Day* St. Joseph protected the Holy Family from danger. Pray for the safety of families around the world.	20 Encourage everyone to do an examination of conscience.	21 Attend Confession as a family. Experience God's love and forgiveness. Have a treat to celebrate clean souls.
22 *Laetare Sunday* Have a special meal at home or a restaurant to celebrate the halfway point through Lent.	23 This week, try limiting screen time: no texting at the dinner table, during prayer time, and after 10:00pm.	24 Read today's Gospel (John 5:1-16). Have everyone detail one idea they found interesting.	25 Give up a toy or treat just for today, just for Jesus.	26 This evening, invite everyone to take a few minutes and silently turn their hearts and minds to God.	27 Family Fun Night Instead of watching a movie, pull out a boardgame or make up your own game.	28 Make cookies and bring them to a nearby nursing home.
29 After Mass, light a candle, and recite the Apostle's Creed as an affirmation of your faith.	30 Apologize to someone you hurt, even if it was an accident. Forgive someone who hurt you—even if it wasn't.	31 Pray for victims of violence and war in the world.	1 April As a family, consider doing a screen fast today and read together instead.	2 Contact Catholic Relief Services (877-HELP-CRS, www.crs.org) and help with any of their ongoing projects.	3 Place any final donations in the box you set up on March 7. Make a family trip to deliver it to its destination.	4 Calculate the money your family saved not eating meat on Friday and put that in the poor box at church.
5 *Palm Sunday* Have a Palm Sunday procession around the house and take turns playing Jesus.	6 Tonight and every night this week, pray for those who are preparing to enter the Church at Easter.	7 Take a walk outside and look for signs of new life.	8 Ask each family member to write a letter to Jesus thanking him for his sacrifice on the Cross.	9 *Holy Thursday* Wash and dry each other's feet in commemoration of Jesus washing the feet of his Apostles.	10 *Good Friday* Pray the Stations of the Cross. Meditate on each one. Find them here: www.usccb.org.	11 *Holy Saturday* Dress a doll in a white garment and talk about the Baptismal vows we renew each year.

Thoughtful Moments

St. Toribio of Mogrovejo

Born in Mayorga, Spain, Toribio was a Profess of Law at Salamanca University when the king, noting his integrity, named him the next Archbishop of Lima, even though Toribio wasn't a priest! He was ordained, consecrated, and sent to Peru. He visited every parish in his diocese and learned the native languages so he could preach without an interpreter and they could more easily learn their faith. He also founded schools, churches, hospitals, and a seminary.

Servanthood

According to Jesus, the greatest are those who give themselves to God and others. Teach children to serve by assigning age-appropriate chores, asking them for help, or encouraging thoughtful acts. Children learn from doing.

"So, no matter how much time you spend fasting, no matter how much you sleep on a hard floor and eat ashes and sigh continually, if you do no good to others, you do nothing great" (St. John Chrysostom).

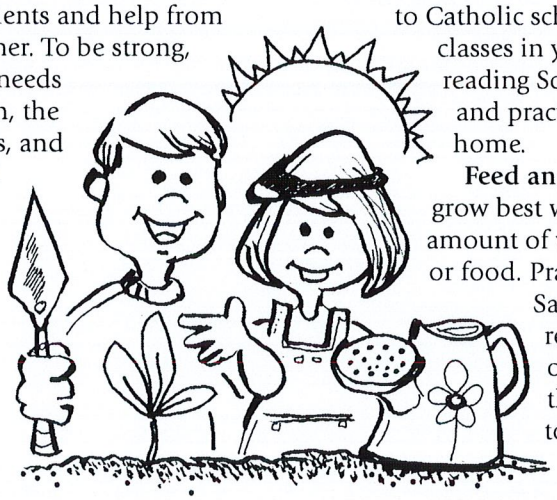
Plant the seeds of faith

Helping children to grow in faith is like tending a garden. To become healthy, plants need regular attention, the right ingredients and help from an expert gardener. To be strong, children's faith needs regular attention, the right ingredients, and God's continual help.



Cultivate the soil. Before planting, the soil must be prepared. It has to be made moist, perhaps have fertilizer mixed in, be positioned to get lots of sunlight, and any weeds must be cleared. Baptism cultivates our children's souls in a similar way. The weeds of original sin are removed, hearts are turned toward God, and the conditions are made right for God's planting.

Plant the seed. Some ways to plant seeds of faith include sending children to Catholic school or religion classes in your parish, reading Scripture together, and practicing faith at home.

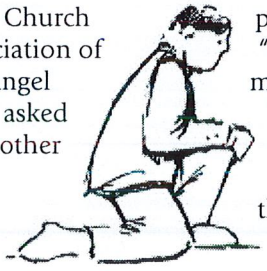
Feed and water. Plants grow best with the right amount of water and fertilizer or food. Prayer, weekly Mass, Sacraments, and religious study give our children's souls the food they need to grow a healthy faith.

Constant tending. Weeds can steal the food and resources plants need to grow. Sin can also choke our faith so that it becomes thin or weak. Taking our children to the Sacrament of Reconciliation regularly is a great way to keep weeds of sin out of their gardens.

Why Do Catholics Do That?

Why do Catholics genuflect during the Creed on March 25?

On March 25th, the Church celebrates the Annunciation of the Lord – when the angel appeared to Mary. He asked if she would be the Mother of God and she said, "Yes."

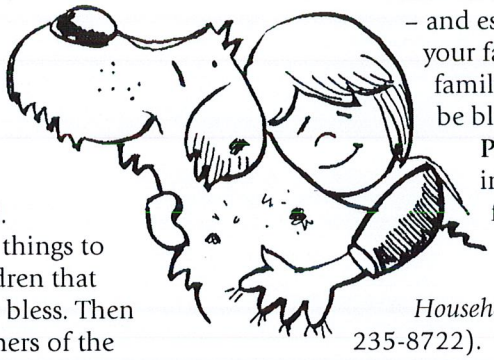


Usually at Mass, we bow when we proclaim our belief that God's Son was "born of the virgin Mary and became man."

However, for the Annunciation and Christmas, we genuflect in deep reverence and gratitude for the mystery that made our salvation possible (*Catechism of the Catholic Church*, #461).

Consecrating daily life to God

Blessing objects and items that we use each day turns ordinary items into holy objects dedicated to God. Such blessings can help children see that pets, homes, cars, and bedrooms can become holy things and holy places that remind us God's love is all around.



Why bless? Dedicating everyday things to God's use is one way to teach children that they themselves have the power to bless. Then they can make their own little corners of the world holy.

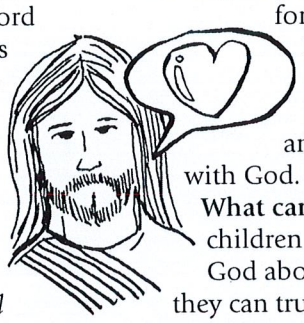
What to bless? Bless people, events, places, and objects – and especially that which is important to you and your family. For example, a new car, a favorite toy, a family pet, or even special rooms in your home can be blessed and dedicated to God's use.

Prayers to use. A blessing does not have to involve books or formula prayers. In fact, families can design their own blessings using intentions or prayers that are special to them. For ideas and guidance, refer to *Catholic Household Blessings and Prayers* (store.usccb.org, 800-235-8722).

Scripture LESSON

John 11:1-45, Great faith, marvelous answers

God always answers prayer, sometimes in unexpected ways. Martha and Mary had sent word to Jesus that their brother was dying, believing he could help. They may have been disappointed when he took his time coming to them and Lazarus died. Still, Martha demonstrated great faith: *"Even now I know that whatever you ask of God he will give you."*



Jesus intentionally delayed so that rather than just heal Lazarus, he gave him new life. Martha didn't know what would happen, but she knew Jesus and she trusted his wisdom. His response was a marvelous one: for her faith, he worked his greatest miracle yet. Martha was right: Jesus cared, he could help, and all things are possible with God.

What can a parent do? Tell children that they can talk to God about anything and that they can trust him completely. He always hears our prayers. Sometimes God doesn't give us what we want but he always gives us what we need, right when we need it. We can trust that his answer to us will be marvelous, too.

Feasts & Celebrations

March 7 – Sts. Perpetua and Felicity (203). Perpetua was a young mother and Carthaginian noblewoman who refused to renounce her faith. Felicity was a slave and expectant mother who also refused to deny her Christianity. Both were martyred.

March 17 – St. Patrick of Ireland (c. 461). Born in Scotland, St. Patrick was kidnapped by pirates and brought to Ireland as a slave. He escaped several years later and became a priest. Ordained the bishop of Ireland, he is credited for having established the Church there.

March 20 – St. Cuthbert (687). St. Cuthbert joined the Benedictines at the Melrose Abbey. For his holiness, fervor and charity, he was made abbot of the Lindisfarne Abbey. He retired to be a hermit.

March 25 – The Annunciation of the Lord (1st century). The angel Gabriel visited the Blessed Virgin Mary with the extraordinary news of her role as the Mother of God. Even at her young age, she had complete confidence in God's grace and trusted in his wisdom.

Parent TALK

Our children were often so disruptive during Mass that my husband and I attended separate Masses to avoid bringing them. After a while, I missed attending Mass as a family. So I asked our pastor for suggestions.

The first thing Fr. Stan said was to sit up front. He said children pay closer attention when they can see what is happening.

Then he suggested arriving 15 minutes early to pray a decade of the Rosary as a family. When children pray in a quiet church, they understand that church is for prayer and not for play.

And lastly, Father suggested we go out for a treat, like ice cream or donuts, after Mass. Not only was it a reward for good behavior, it helped to make Sunday feel special.

His advice worked better than I could have hoped. I still have to issue the occasional "shush," but now we get to attend Mass together as a family. And that's the most important benefit of all.
