Section 3635(2) of NYSED law requires a written request for transportation to a non-public school be made **no later than April 1st of each year**. Requests made after this date will be subject to review for eligibility and may be denied.

This request is for the school year listed above only, and must be resubmitted each year. We transport to a non-public school provided there is a student attending that meets the 15 mile requirement.

If you have any questions or need information pertaining to private/parochial school transportation please call the Hilton Transportation Department (585)392-1007.
